meeting over hey it was great

Jack Y.: Having two leaders could be good, or bad, it really depends on who it is.

Bonnie:

Oliver: also we should have requirements to run for leader like maybe a certain rank or government experience

Cici:im actually surprised you guys are considering this lol hm maybe i think we should stick with one for now, do a vote, then see if there should be two leaders okay
byeeee also if it doesnt work out we can just go back to one leader

Matan: fool's out, for the winter

Zach: Adios

Temuun: TWO LEADERS? Actually it only depends on the person

CC News (CCN)

Yello! again folks, it's my line okay? Nobody steal it, I am your daily host for CC news Temuun, and am gonna be saying that if you can't pronounce my name it's T-Moon and don't even try for my last name, if your lazy and you just wanna get things over with, you can call me Tem like Ten but instead of an n it's replaced with an m, now onto the weather.

Yello! this is weather Tem and I'll be explaining you the weather, now all it's gonna be is just a cloudy weather with no rain for the week, but it might be still a little cold so I recommend wearing a hoodie or sweater or pants, but that doesn't go for the kids that wear shorts every winter that don't feel anything.

Yello! This is drama T-Moon I will explain the daily drama for the CC, now the daily drama for the CC is basically the voting for the new leader between me, Jack, and AFK Keane wait no AFKeane hahahahaha, yeah I need a script before I write on this... anyway daily drama... yeah no drama for today folks sorry gossip people.

Yello! This is me again just me, oh, so uhh what's up? yeah I don't know, I'm kind of begging my mom for Burger King today, since I got a 94 on my math test so woohoo yay me, and uh stay cool, cue the exit music. I don't have an exit music but there will be one and an intro one okay bye.

—Your host duh who did you think it was gonna be.

Okay, so on my other slideshow, S6, we have a campaign slide for elections. So here it is. State your campaign below.

Naw, no more campaigns from me, am done, I'm never running for leader again, I wasn't ready. so no more leader for me. -Matan

Hello Folks, it's me your favorite past King Butterboy, rude person, and overall an a**hole. If I get elected for leader, I will do a lot of stuff as planned, I will make changes, I will hear you all out for suggestions, I will answer questions, I will make this community responsible and better as best as I can, with my old errr Kingdom. Well if you elect for me I'll do a lot of good stuff, I'll try to solve some of your problems too. I promise to be active, I'll change stuff for the better, I will make smart decisions not dumb ones. By solving your problems it will make the community better
-Temuun

Ok in February i will be running for VL so here is my campaign. I think the CC is one of the best slideshows ever. Please help us keep it that way by voting me as VL. I have done some great things in the past and if you vote for me I can continue doing great things in the future. That's all please consider voting me for VL.

Tyler

If I become Leader, I will make a lot of changes to the CC. I will probably update some of the slides, and move a lot of unused slides to the unknown to prevent lag. I am on everyday, and not AFK often, I will answer all questions and suggestions, if someone wants something to be changed. I will fix problems, make new jobs based on suggestions, and probably create a few new slides. And I promise to make the CC a better place. I have also helped manage some other slideshows, so I have some knowledge Sorry I don't really have much to write. So, please consider voting me! —Jack Y.

Doron's playlist (various songs)

Matan didn't let me put a song on his playlist, so I made my own.

My friends and I—we've cracked the code.
We count our dollars on the train to the party.
And everyone who knows us knows
that we're fine with this,
We didn't come from money.

Bonnie: When I first came to my elementary school (not here) I was shy, dumb, stupid, etc. I started to know English and I got some few friends. That were brats (but I didn't know) They were brats, bossy, etc. After that, I had a crush on this guy named Jackson (I'd about tell my old crushes) And I told them my crush. Then they told him. I got rejected but I'd cause I'm too young to date. From then on, it's really rare to see me trust someone. Then I moved to another elementary school because my parents had to move. From then on, I became 50% devil and 50% angel. I made tons of friends after I moved, liking someone (Yup I have a crush on someone) I hate dresses and make-up cuz no. Making sure that I take revenge on my old friends.
